Mr. Amory:

a.   Referred to a portion of the recommendations implementing the Jackson Report and stated this might be of assistance to the Director when he sees Congressman Taber respecting our Personnel situation. Colonel White made a note of this and will bring it to the Director's attention prior to his meeting with Mr. Taber.

b.   In connection with the Jackson Report, stated it would be presented to the NSC at an early meeting. The Director asked that prior to this time he be fully briefed on any exceptions we might have to the recommendations contained in this Report. Mr. Helms undertook to handle this.

Mr. Kirkpatrick:

Referred to Senator Mansfield's resolution that a Joint Congressional Committee be appointed to monitor activities of CIA and recommended that:

Mr. Kirkpatrick (Continued):

(1) we move in on this situation as rapidly as possible; (2) urgent consideration be given to introducing a similar bill in the House by a member of our choice. The Director said before anything was done he wished to have the opportunity to discuss this matter with Senator Saltonstall and will do so immediately upon his return to Washington either this afternoon or tomorrow. (NOTE: Subsequent to the Meeting it was learned that Congressman Patterson of Connecticut, a former officer in OSS, had proposed such a bill. The Director has been advised.)
